FSC www.fsc.org MIX Paper from responsible sources FSC® C157281

Alligator is committed to promoting sustainability. Concern for the environment and promoting a broader sustainability agenda are integral to Alligator's professional activities and the management of the organisation. We aim to follow and to promote good sustainability practice, to reduce the environmental impacts of all our activities and to help our clients and partners to do the same. We are therefore committed to reducing packaging, particularly plastics, as much as possible, while increasing the recyclability of our products and sourcing materials from FSC-certified factories.
